# **Distributing \$29,613.05** Among Our Depositors

Twice a year-on April 1 and October 1-we credit up interest to the Savings Accounts of our depositors.

A striking object lesson in how money will earn money is shown in the immense sum, \$29.613,05, that we distribute among our depositors today, which their accounts have earned during the past six months. Last October we distributed \$27,360.66, making a grand total of

# \$56,973.71 in Interest Paid to Our Depositors in One Year

Do you share in this great distribution of "easy" money? If not, don't you owe it to yourself to get in on the next one? Start an account TODAY, and see what it feels like to have money working for you.
